

## Smarter Resources Smarter Business - Energy and Materials Program

### Round Two Capital Funding recipients who were assisted by *Genesis Now*

Materials Efficiency Projects				
Business	Location	Sector	Project	Funding
HPC Bakers Pty Ltd	COOLAROO 3048	Manufacturing (food & beverage) Speciality breads	Upgrade of packaging equipment to improve packaging processes and reduce materials used	\$50,000
Mackay Consolidated Industries Pty Ltd.	MOORABBIN 3189	Manufacturing Polymer & rubber products	Precision cutting equipment to improve cutting processes and reduce waste rubber.	\$50,000
Composite Materials Engineering Pty Ltd CME	BAYSWATER 3153	Manufacturing Fabricated metal products	Upgrade of production equipment resulting in less waste and improved product quality.	\$50,000
Welvic Australia Pty Ltd	DEER PARK 3023	Manufacturing Polymer & rubber products	Improved materials handling systems to reduce material losses and reuse waste materials.	\$50,000
MHG Plastic Industries (VIC) Pty Ltd	MELTON 3337	Manufacturing Automotive components	New equipment to enable reuse of waste plastic materials created during injection moulding process.	\$9,530
Energy Efficiency Projects				
Anatel Pty Ltd Betta Foods Australia	BROADMEADOWS 3047	Manufacturing (food & beverage) - Confectionery	Improved insulation of process pipeline to reduce heat loss.	\$25,000

*Round Three Capital Funding closes at 4pm, Friday 2 May 2014.*
